GUIDE TO NOTARIAL FEES

The Guide to Notarial Fees as published in Circular 7 of 2002 is hereby deleted.

The reason for the deletion is that:

(1) It is totally out of date.

(2) KZN is the only Province with such a Guide.

(3) The Guide is under scrutiny by the Competition Commission in that it may regard it as an anti-competitive measure.

(4) It is not worth issuing the Guide unless and until it is cleared by the Competition Commission as being acceptable and unless it is updated to provide for a realistic fee.
